BERA FILM SERIES ASHES AND DIAMONDS

Thurs., April 2 — Lecture Hall — 8:30 p.m.

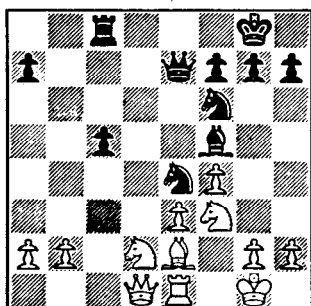

"Ashes and Diamonds" is the finest film ever made in Poland. Directed by Andrzej Wajda, Poland's best director, it features the country's leading actor and actress, Zbigniew Cybulski and Eva Krzywowska. The film recounts the political assassination of a veteran Polish leader by a young resistance fighter. It is perhaps the clearest and subtlest psychological portrayal of life in a communist society ever put on the screen. Unlike some rather simpler Russian films on the same subject or Western anti-communist diatribes, "Ashes and Diamonds" succeeds in portraying an inside view of the Polish society. It is a picture which studiously avoids black and white portrayals and manages to achieve a sensitive feeling not only for the society but also a wonderfully detailed description of the moral dilemmas facing the younger generation behind the iron curtain.

Hauntingly fascinating, brilliantly conceived and directed. Swift and intense movements, strong and striking images... —CROWTHER, N.Y. TIMES

CHESS PROBLEM

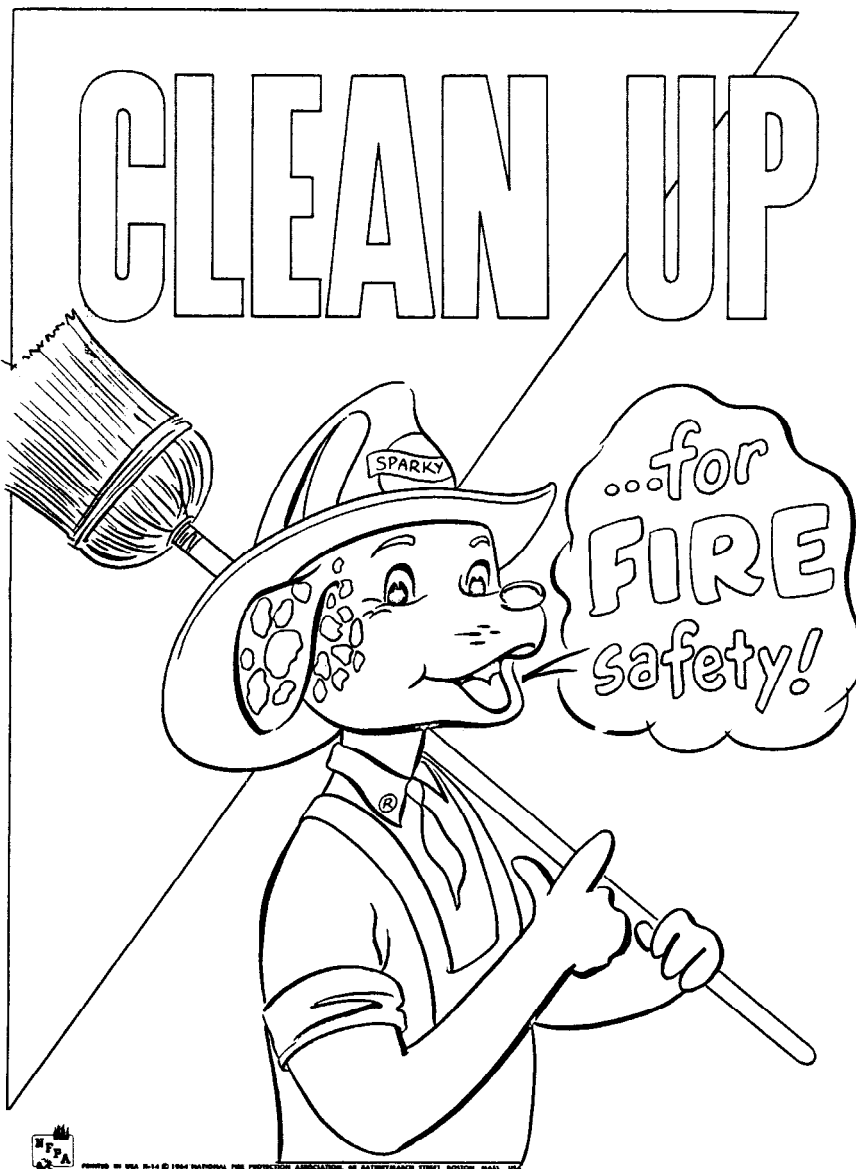

In this week's problem, it is Black's move. White's King seems to be well defended, but a close study will provide a win for Black. Can you do it? Answer elsewhere in the BULLETIN BOARD.

FIRE SAFETY CLEAN-UP

This week has been selected to emphasize a spring campaign for fire safety with a clean-up theme. It's a well-known fact that a very large percentage of fires originate in, or are aggravated by, accumulation of combustibles. Make a special effort this week to eliminate such accumulations, both here at BNL and at your home.

COOKING EXCHANGE GROUP

The Cooking Exchange Group will meet on Thursday, April 9, at 3:00 p.m. in the Recreation Building, York Lane. Dishes from local fish, prepared by Mrs. George Vineyard and Mrs. Charles Dunbar, and fruit salad, prepared by Mrs. Jack Chernick, will be featured at the meeting.

SPRING CLEANING AND FIRE PREVENTION

Spring is here! It's that time of the year when house cleaning should be done in the interests of fire prevention.

Out with all the combustibles you've been accumulating throughout the winter! A clean house seldom burns.

If you intend to burn trash outdoors, better check first with your local fire department. Use only an approved incinerator. Don't burn outside on a windy day. Don't leave an outside fire unattended.

Spring is the season of brush and forest fires on Long Island. Be careful when discarding lighted cigarettes - you may be starting an uncontrollable fire!

ON-THE-JOB FIRE PREVENTION

And while we're on the subject of spring cleaning, how about cleaning up right here at BNL. You say you are neat - and, besides, you have never had a fire in your area? Maybe you had better look around and check just in case. Fire usually starts where you least expect it.

Here is where you have coffee. Do you have your electric hot plate on a non-combustible table? Also, that frayed cord should be fixed right away.

Now let's look at your work bench or area. Those chemicals on the shelf - why not clean out all the old ones you don't use anymore. And how about all that old wire, paper, etc., you've been "saving" under your bench? Perhaps your desk needs cleaning. Either file or throw away all those papers stacked on it.

While you're looking around, you should check the location of the nearest fire extinguisher. Make sure its location is well-marked, and that it is not covered by a lab coat or other garments. AND, make sure you know how to call the BNL Fire Group - the best way being to pull a manual fire alarm box.

Remember this one equation during spring clean-up week:

Good Housekeeping = Good Lab Safety.

RIFLE AND PISTOL CLUB

The outdoor spring tournament will start April 5 at 11:00 a.m. at the north tract range. Large bore rifles must have iron sights only; small bore rifles may have any sights. Separate scoring and trophies will be used for large and small bore.

The tournament entrance fee is \$1.00, with free ammunition and targets provided. New members are welcome.

For details, call P. Colombo, Ext. 624, or A. Lukas, Ext. 7769.

A.S.M.E. MEETING AND TOUR

On Friday, April 10, the Nuclear Energy Division of the American Society of Mechanical Engineers will sponsor a meeting and tour at BNL.

All BNL engineers, members of the A.S.M.E. as well as non-members, are welcome and invited to attend. The tour portion of the meeting will start at 6:15 p.m. at the Brookhaven Center; from there, transportation will be provided to the following facilities: the Graphite Reactor, the AGS, and the High Intensity Radiation Lab. At the end of the tour, there will be cocktails at 7:15 p.m. at the Center. Dinner will be served at 7:45 and the lecture will be given at 8:45 p.m.

The meeting's lecture is entitled "Reliability and Maintainability Activities in the Aero-Space Sciences." The speaker, John deS. Coutinho, Fellow, A.S.M.E., is a nationally known authority on the subject and is presently Director of Reliability for Grumman's Lunar Excursion Module (LEM). Mr. Coutinho will discuss the details and techniques of this relatively new engineering discipline. He will also describe and illustrate how this science is being applied in the design and development of sophisticated aircraft and space vehicles.

Dinner cost per person is \$3.50. Make reservations as soon as possible, stating meat or fish preference, by calling B.M. Lomonosoff, Ext. 2488.

FOLK DANCING

The Brookhaven Folk Dance Group will hold its regular evening of folk dancing on Monday, April 6, at 8:00 p.m. in the Recreation Hall. As usual, interested individuals at all levels of experience are welcome. The next meeting of the group will be held on Monday, April 20, at the usual time and place.

PERSONNEL SERVICES

Recreation Office — 3 Center St.
Daily 9:00 a.m. — 1:00 p.m.

UNITED STATES FLAGS

Is your flag out of date? Are you still flying the forty-eight? Through a special group purchase, we have available for sale a 3'x5' U.S. flag with color-fast printed stars and stripes on a 6'x3/4" bright aluminum two-piece pole with halyard, eagle ornament and a metal holder. List \$6.30; our price, \$3.95.

METS TICKETS

Seats are still available for the following dates: April 19, Pittsburgh; May 6, Cincinnati; May 10, St. Louis; May 12, Milwaukee; May 29 and 30, San Francisco. We also have some choice dates still open for June, July, August and September games.

DO-IT-YOURSELF

We have a limited supply of T.V. Troubleshooters' Guide books on sale. This book covers the television, home and car radio and is priced at \$.50.

SOFTBALL GLOVES

A limited quantity of gloves are on hand for resale at a 30% discount.

WORLD'S FAIR TICKETS

We still have a very limited supply of admission tickets to the Fair.

BOWLING SPECIAL EVENTS

There are still some qualifiers left to bowl, but as of the week ending March 27, winners and leaders in each league were as follows:

LEAGUE	HIGH GROSS GAME
*Red	E. Hoyle 258
**Purple	S. Carde 253
*Green	G. Walker 242
**Rose	A. Alberico 236
*Blue	C. Schmidt 230
**Pink	M. Perrier 228

*Leads League.

**Won league; receives four World's Fair tickets.

SOLUTION TO CHESS

WHITE		BLACK
1.	1. N-B7	
2. Q-B1	2. QxP	
3. B-R6	3. N-R6 Doublecheck, etc.	
If White should take the Knight, Black's QxP Check would force the White King to N3 (KxQ would lead to N-N5 Mate.)		
3. K-N3	3. N-R4	
4. K-R4	4. QxP Check . . .
